

Cronulla Sharks Volunteer Program.

“Put your hand up”

Remember, Volunteers do not necessarily have the time; they just have the heart.

The success of local clubs can depend on many things but one of the most important is volunteers. Volunteers are an underrated resource that can become the engine room of a successful club. This season, the Sharks Club is running a volunteer program based on each registered player having to donate 10 hours of volunteer work during the summer season. These hours can be completed by any member of the registered player's family and can include but not be limited to any of the following:

Manager

Coach

Referee

Goal line judge

Table (Clock or score)

Work on BBQ @ Registration Days

@National League Games

@Feature Games

@Training Camp

During the season don't forget to take the opportunity to thank any volunteers that are doing their bit for your club.

Volunteers don't get paid, not because they're worthless, but because they're priceless.

Fill in the following activity card.

Hour	Activity	Hour	Activity
1		6	
2		7	
3		8	
4		9	
5		10	

Just stick this on the fridge at home and see how you go. (You can do more than 10 if you want) All managers will ask their team members how they are going during the season.
